Description

A rare and compelling opportunity to secure a chain-free detached residence occupying a deep plot on Woodhall Gate, one of the widest, and highly sought-after roads within the desirable Pinner Wood Park Estate. Held within the same ownership since 1987, this ready to move in east facing three-bedroom home with an approx. 80ft rear garden, also offering excellent long-term potential to enhance and extend to the front and rear (STPP), is within walking distance of outstanding OFSTED-rated schools, in a location where quality family homes are consistently in demand.

The accommodation extends to versatile interiors ideally suited to modern family living. An entrance hall leads to two principal reception rooms, complemented by an additional rear living space overlooking the garden. The kitchen is thoughtfully arranged with pleasant views across the garden and direct access to it.

A valuable ground floor shower room with adjoining dressing area, further enhances practicality. To the first floor are three bedrooms served by a contemporary shower room. Of particular note is the generous principal bedroom, enjoying attractive outlooks across both the mature rear garden and the tree-lined frontage.

Externally, the approximately 80ft private rear garden also offers scope for extension (neighbouring precedent) as this section of character Artagen-style homes on Woodhall Gate is not within a conservation area. To the front, the property is well set back from the road behind a generous frontage incorporating a private garage, front garden with driveway parking and further unrestricted on-road parking.

Location

Perfectly positioned for families, the house lies within walking distance of outstanding-OFSTED rated schools, together with convenient access to all amenities and excellent transport connections of both Pinner and Hatch End stations. Detached homes of this nature, occupying plots of this calibre within Pinner Wood Park, rarely become available offering an exceptional opportunity to secure one with excellent scope to extend and enhance over time.
